A/202, Brahmhans Residency, Pasodra Kholvad Road , Kamrej, surat-394190

## PROFILE

I am looking forward to gaining my first work experience in the IT field. I am passionate about technology and eager to learn and grow in a dynamic environment

## PROJECTS

### E-commerce

- This project is a feature-rich e-commerce platform built with Node.js, Express.js, and MongoDB on the backend. It provides a scalable and secure solution for online shopping, allowing users to browse products, add items to the cart, place orders, and make payment
- The system includes user authentication, product management, order processing, and payment integration to ensure a seamless shopping experience. An admin dashboard is also included for managing products, orders, and users

## EDUCATION

2021 - 2024
